Financial Arrangements:

For Branch bids, place Branch Seneschal's initials by selected choice:

_____ Branch will receive \$200 in Event Steward front money and \$10 per planned sold feast for Feast Steward front money (contact Kingdom for Feast Steward total) from the Kingdom Chancellor of the Exchequer. The branch will receive 30% of the net profit from the event. The Kingdom will retain the remainder of the net profit. If the Branch exceeds budget for reasons other than unavoidable circumstances (as determined by the Kingdom Seneschal and Chancellor of the Exchequer), over budget funding will be deducted from the Branch's percentage of the profit split.

_____ Branch will front all money for the event and receive 40% of any net profit. The Kingdom will retain the remainder of the net profit. Event Steward Budget will be \$_____ Feast Steward Budget will be \$_____. If the Branch exceeds budget for reasons other than unavoidable circumstances (as determined by the Kingdom Seneschal and Chancellor of the Exchequer), over budget funding will be deducted from the Branch's percentage of the profit split.

_____ Branch wishes to negotiate abnormal expenses or profit split with the Kingdom as detailed below.

Explain the circumstances which require abnormal arrangements as well as the specifics of the arrangements.
